AMENDING PART II, CHAPTER V, SAN FRANCISCO MUNICIPAL CODE (HEALTH CODE) BY ADDING SECTIONS 290 AND 291 THERETO, SETTING FORTH PORTIONS OF THE REFUSE COLLECTION AND DISPOSAL ORDINANCE (ORDINANCE 17.083) WHICH WAS PASSED BY VOTERS AS AN INITIATIVE MEASURE AT AN ELECTION HELD NOVEMBER 8,1932; AND PORTIONS OF ORDINANCE NO. 20-72 WHICH PROVIDED FOR OWNER RESPONSIBILITY FOR MAINTENANCE OF REFUSE COLLECTION SERVICE TO DWELLINGS WITHIN THE CITY & COUNTY OF SAN FRANCISCO.

Be it ordained by the people of the City & County of San Francisco:

Section 1. Part II, Chapter V, San Francisco Municipal Code (Health Code) is hereby amended by adding Sections 290 and 291 inclusive, thereto, reading as follows:

SEC. 290. Refuse Collection and Disposal Ordinance No. 17.083. This section is enacted to set forth portions of the Refuse Collection and Disposal Ordinance No. 17.083, Appendix A of the San Francisco City Charter which heretofore has been adopted to read as follows:

"Section 1. The term "refuse" as used in this ordinance shall be taken to mean all waste and discarded materials from dwelling places, households, apartment houses, stores, office buildings, restaurants, hotels, institutions and all commercial establishments, including waste or discarded food, animal and vegetable matter from all kitchens thereof, waste paper, cans, glass, ashes and boxes and cuttings from trees, lawns and gardens. Refuse as used herein does not include debris and waste construction materials, including, wood, brick, plaster, glass, cement, wire, and other ferrous materials, derived from the construction of or the partial or total demolition of buildings or other structures.

Section 2. It shall be unlawful for any person, firm or corporation to dispose of refuse as defined in this ordinance except as herein provided, save that the provisions of this ordinance shall not include refuse which may be incinerated by an owner of a building for himself or for his tenants on the premises where produced; provided, however, that such incineration shall be subject to inspection and control by the Director of Public Health and the Fire Department. Failure of any householder producing refuse to subscribe to and pay for refuse collection, unless such householder is a tenant for whom refuse collection service is provided by his landlord, shall be prima facie evidence that such householder is disposing of refuse in violation of this ordinance.

Section 3. Refuse consisting of waste or discarded food, animal and vegetable matter, discarded containers, of food, animal and vegetable matter and ashes shall be collected and placed in suitable metal cans of such capacity as the Director of Public Works may prescribe (but not to exceed 32 gallons in the case of a can serving one single family dwelling unit) by the producer or landlord who by reason of contract or lease with an occupant is obligated to care for such refuse, for collection by a refuse collector to be disposed of as herein provided.

Waste paper and boxes and other refuse materials not subject to putrefaction or decay, and cuttings from trees, lawns and gardens may be placed in any suitable container and delivered by the producer or landlord, who by reason of contract or lease with the occupant is obligated to care for such refuse and deliver same to a refuse collector, to be disposed of as herein provided; provided, however, that it shall be optional with the producer or landlord to deliver waste paper or other refuse having a commercial value to a refuse collector, and the producer or landlord may dispose of the same in any manner he may see fit. (Refuse which under the provisions hereof must be deposited in a metal can of suitable capacity shall be removed daily from the place where the same is created.)

Section 4. It shall be unlawful for any person, firm or corporation, other than a refuse collector licensed by the Director of Public Health as in this ordinance provided, to transport through the streets of the City and County of San Francisco any refuse as in this ordinance defined, or to collect or to dispose of the same, except waste paper, or other refuse having a commercial value."

* * *

"Persons, firms or corporations desiring to transport through the streets of the City and County of San Francisco only waste paper or other refuse having a commercial value, and to collect and dispose of same need not obtain a permit therefor under the provisions of this ordinance."

* * *

"Section 11. Disputes over charges made by collectors or as to the character of the service performed shall be decided by the Director of Public Health. Any charges made in excess of rates fixed pursuant to this ordinance, when determined by the Director of Public Health, shall be refunded to the person or persons who paid the excess charge.

Section 12. A refuse collector shall be entitled to payment for the collection of refuse at the end of each month from each householder or landlord served by him and from whom the payment is due."

* * *

"Section 14. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not to exceed Five Hundred ($500.00) Dollars, or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment."

SEC. 291. Owner Responsibility for Maintenance of Refuse Collection Service to Dwellings. This section is enacted to set forth portions of Ordinance No. 20-72, providing for owner responsbility for maintenance of refuse collection service to dwellings, within the City and County of San Francisco, which heretofore has been adopted to read as follows:

"Section 1. Definitions. Unless the context otherwise specifies or requires, the terms defined in this Section 1 shall for all purposes of this ordinance, have the meanings herein specified, the following definitions to be

equally applicable to both the singular and plural forms of any of the terms herein defined:

(a) The term "City" means the City and County of San Francisco;
(b) The term "Collector" means a refuse collector duly licensed pursuant to the provisions of the Initiative Ordinance;
(c) The term "Director" means the Director of Public Health of the City, or his authorized agents;
(d) The term "Dwelling" means a residence, flat, apartment, or other facility, used for housing one or more persons in the City and County of San Francisco.
(e) The term "Initiative Ordinance" means the Initiative Refuse Collection and Disposal Ordinance adopted November 8, 1932, as amended, and
(f) The term "Owner" when used with reference to a Dwelling shall mean, and shall conclusively be deemed to be, the legal owner of the Dwelling.

Section 2. Owner Responsible for Refuse Collection Service. The Owner of any Dwelling shall subscribe to and pay for refuse collection service rendered to such Dwelling by a Collector and shall provide at a location accessible to the Collector an adequate container or containers for deposit of refuse of such capacity as the Director of Public Works may prescribe. The necessity for and type of refuse collection service required and the rates charged therefor shall be governed by the Initiative Ordinance.

Nothing in this section is intended to prevent an arrangement, or the continuance of an existing arrangement, under which payments for refuse collection service are made by a tenant or tenants, or any agent, in behalf of the Owner. However, any such arrangement will not affect the Owner's obligation to the City.

Section 3. Failure to Initiate Service or to Provide Sufficient Refuse Containers. When an Owner fails to initiate adequate refuse collection service within fifteen (15) days of occupancy of a Dwelling, the Director will give the Owner written notification that such service is required. If service is not initiated within fifteen (15) days from the date of mailing of the notice, then the Director may require the Collector to initiate and continue refuse service for said Dwelling. When in the judgment of the Director additional refuse containers are required, they shall be provided by the Owner upon written notification from the Director. If the required additional containers are not provided within thirty (30) days from the date of the mailing of the notice, then the Director may require the Collector to provide the required containers at a cost set by the rate board created by the Initiative Ordinance. This cost may be added to the collection fees and collected in the same manner.

Section 4. Violation a Misdemeanor. Any Owner who shall violate any of the provisions of Section 2 and/or 3 of this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not to exceed Five Hundred Dollars ($500.00) or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

Section 5. Collector Entitled to Payment for Services Rendered. Pursuant to the provisions of the Initiative Ordinance, the Collector shall be entitled to payment from the Owner for services rendered. Should there be failure to make payment for any service rendered by the Collector, the means for effecting payment shall be in accordance with the procedure set forth hereunder in Section 6 to Section 12, inclusive.

Section 6. Complaint of Nonpayment. Upon the expiration of not less than thirty (30) days following the period during which the Collector has rendered service and has presented the Owner with a bill for such service, and if the bill has not been paid in full, the Collector shall send to the Owner a second written request for payment.

The second written request shall include a warning notice that if the fees due are not paid within thirty (30) days, they will be paid by the City. The warning shall include information with respect to penalties and interest that may become due and information with respect to the possibility of the City's recording a lien against the property to which the service was rendered.

The form and content of said warning notice shall be approved by the Director.

Upon the expiration of not less than thirty (30) days following the mailing of the second request for payment and the bill remains unpaid, said Collector may file with the Director a verified written complaint which shall contain the specific allegations setting forth the name or names of said Owner, the address of the Dwelling served, the period of service, the amount due, the steps taken to secure payment and such other information as the Director may reasonably require.

Pending satisfactory payment by said Owner, or by the City pursuant to Section 7 hereunder, the Collector shall continue to provide uninterrupted normal refuse collection service to the Dwelling covered by the complaint; provided, that said Collector shall not be required to continue to provide such uninterrupted normal refuse collection service if the City fails or is unable to pay the fees due under this ordinance within a reasonable time after the City has received the complaint and the rates or service to the Dwelling are not under adjudication as provided by the Initiative Ordinance.

Section 7. Payment by Department of Public Health Lien. Upon the receipt of the complaint filed in accordance with Section 6, the Director shall pay the amount due the Collector from a continuing appropriation account so provided herein under Section 13, and the Owner shall be liable to the City for fees paid. The payment by the City will, upon the recording hereof in the manner herein provided, create a lien on the real property to which the service was rendered. The lien will be officially recorded in the County Recorder's files. The lien to carry additional charges for administrative expenes of Twenty-Five Dollars ($25.00) or ten percent (10%) of the amount owed, whichever is higher, and a rate of one percent (1%) per full month compounded monthly from the date of the recordation of the lien on all fees and charges due. The Owner shall be notified by the Director that the fees and charges are due to the City. In addition, the Owner shall be notified that if the fees and charges remain unpaid, subsequent proceedings may be taken to make said fees and charges a special assessment on the real property to which said garbage service was rendered.

Section 8. Collection of Delinquent Fees as a Special Assessment. The Director may initiate proceedings to make delinquent garbage service fees a special assessment against the parcels of property situated within the City to which said service was rendered and fees paid by the City.

Section 9. Report of Delinquencies Transmitted to Board of Supervisors. A report of delinquent charges shall be transmitted to the Board of Supervisors by the Director. Upon receipt by the Board of Supervisors of the report, it shall fix a time, date and place for hearing the report and any protests or objections thereto.

Section 10. Notice of Hearing. The Board of Supervisors shall cause notice of the hearing to be mailed to the Owner of the real property to which the service was rendered not less than ten (10) days prior to the date of hearing.

Section 11. Hearing. At the time fixed for consideration of the report, the Board of Supervisors shall hear it with any objections of the Owners liable to be assessed for delinquent accounts. The Board of Supervisors may make such revisions, corrections or modifications of the report as it may deem just and in the event that the Board of Supervisors is satisfied with the corrections of the report (as submitted or as revised, corrected or modified) it shall be confirmed or rejected by resolution. The decision of the Board of Supervisors on the report and on all protests or objections thereto shall be final and conclusive.

Section 12. Collection of Assessment. Upon confirmation of the report by the Board of Supervisors, the delinquent charges contained therein shall constitute a special assessment against the property to which the services were rendered. Thereafter, said assessment may be collected at the same time and in the same manner as ordinary municipal taxes are collected and shall be subject to the same penalties and same procedure of sale as provided for delinquent, ordinary municipal taxes.

The Assessments shall be subordinate to all existing special assessment liens previously imposed upon the property and paramount to all other liens except those for state, county and municipal taxes with which it shall be upon parity. The lien shall continue until the assessment and all interest and penalties due and payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to said special assessments.

Section 13. Continuing Appropriation Account. There is hereby created in the general fund a continuing appropriation account entitled "Payment of Property Owners' Delinquencies for Refuse Collection Service". This account shall be credited with such sums as may be appropriated by the Board of Supervisors, delinquencies collected by the Department of Public Health, assessments collected by the Tax Collector, and sums received in consideration of release of liens. Expenditures from said sums shall be made to Collectors for Owner delinquent accounts. In the event that the unexpended balance in said account shall exceed One Hundred Sixty Thousand Dollars ($160,000.00), such excess shall be transferred to the unappropriated balance of the general fund.

Section 14. Manner of Giving Notices. Any notice required to be given hereunder by the City, the Director or any Collector to an Owner shall be sufficiently given or served upon the Owner for all purposes hereunder if personally served upon the Owner of if deposited, postage prepaid, in a post office letter box addressed to the "Owner" at the official address of the Owner maintained by the Tax Collector of the City for the mailing of tax bills or, if no such address is available, to the Owner at the address of the Dwelling."

SEC. 100. Findings. After public hearings with the reception of testimony and documentary evidence, we find that discrimination against families with minor children in the leasing or renting of housing accommodations exists within the City and County of San Francisco. We further find that the existence of such discrimination poses a substantial threat to the health and welfare of a sizable segment of the community, namely families with minor children.

We find that a shortage of housing suitable for families with minor children exists within the City and County. We further find that a low vacancy rate exists in all rental housing throughout San

Francisco. The addition of discrimination against families with minor children to the above two factors creates an untenable situation for the children of San Francisco.

The overall effect of such discrimination is to encourage the flight of families from the City and to further diminish family-oriented neighborhoods. It has an overall detrimental effect on the composition of the City, the stability of neighborhoods, the preservation of family life within the City, the living conditions of our children, the quality of our schools, and the viability of children's activities and organizations.

This discrimination cuts across all racial, ethnic and economic levels.

SEC. 101. Definition: Housing Accommodation. Residential rental unit consisting of one or more rooms in which cooking facilities are available.

SEC. 102. Prohibited Activity. It shall be unlawful for the owner, lessor, lessee, sublessee, real estate broker, assignee, or other person having the right of ownership, the right of possession, or the right to rent or lease any housing accommodations, or any agent or employee of such person to:

(a) Refuse to rent or lease, or otherwise deny to or withhold from any person such accommodations because such person has a minor child or children who shall occupy the leased or rented premises with such person;

(b) Represent to any person because of the potential tenancy of a minor child or children that housing accommodations are not available for inspection or rental when such dwelling is in fact so available;

(c) Make, print, or publish, or cause to be made, printed or published any notice, statement, or advertisement, with respect to the rental of housing accommodations that indicates any preference,

limitation, or discrimination based on the potential tenancy of a minor child or children;

(d) Discriminate against any person in the terms, conditions or privileges of the rental of housing accommodations or in the provision of services or facilities in connection therewith, because of the potential tenancy of a minor child or children;

(e) Refuse to rent after the making of a bona fide offer, or to refuse to negotiate for the rental of, or otherwise make unavailable or deny, housing accommodations to any person because of the potential tenancy of a minor child or children;

(f) Include in any lease or rental agreement of housing accomadations a clause providing that as a condition of continued tenancy the tenants shall remain childless or shall not bear children.

SEC. 103. Exemptions; Minimum Floor Area. The provisions of Section 102 of this Article shall be applicable only to any housing accommodation which meets or exceeds the following floor area standards:

(a) Each such housing accommodation shall have at least one room which shall have not less than 120 square feet of superficial floor area.

(b) Every room which is used for both cooking and living, or both living and sleeping purposes shall have not less than 144 square feet of superficial floor area, provided that, when more than one person occupies such room, it shall have an additional 40 square feet for each occupant in excess of one.

(c) Every room used for sleeping purposes shall have not less than 80 square feet of superficial floor area.

(d) When more than two persons occupy a room used for sleeping purposes, the required superficial floor area shall be increased at the rate of 50 square feet for each occupant in excess of two.

SEC. 104. Tenant Age Policy Not Prohibited. In residential buildings otherwise covered by this ordinance, where the owner has publicly established and carried out a policy of renting exclusively to persons who are defined herein as elderly, said owner or any other person enumerated in Section 102 hereinabove shall be exempt from the provisions of this ordinance, provided, however, that deviation from or abandonment of said policy shall automatically subject said owner to all the provisions of this ordinance.

SEC. 104.1. Definition. Elderly persons. All persons who have attained the age of sixty-two (62) or more years.

SEC. 105. Requirements of Financial Obligations Not Prohibited. This ordinance shall not prohibit the person having the right to rent or lease the premises from requiring the same financial obligations of prospective tenants with minor children as he or she may require of prospective tenants without children. However, no discrimination in the amount or manner of payment of said financial obligations shall be permitted.

SEC. 106. Penalty. Any person who violates any provision of Section 102 of this Article shall be deemed guilty of an infraction, and upon conviction thereof shall be punished by a fine of not less than Two Hundred and Fifty Dollars ($250.00) nor more than Five Hundred Dollars ($500.00).

Any person believing that a violation of said section has been committed may file a complaint with the District Attorney.

SEC. 107. Expiration. This ordinance shall expire three years from the effective date hereof, subject to mandatory review by the Board of Supervisors on the anniversary dates prior thereto for the purpose of evaluating the experience of operating hereunder and considering extension of the operative date, amendments or repeal hereof.

SEC. 108. Severance Clause. If any article, section, subsection, paragraph, sentence, clause or phrase of this Code, or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, or other competent agency, such decision shall not affect the validity or effectiveness of the remaining portions of this Code or any part thereof. The Board of Supervisors hereby declares that it would have passed each Article, section, subsection, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more Articles, sections, subsections, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or ineffective.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance No. 101-75 (Salary Standardization Ordinance, 1975-76, Charter Section 8.401) is hereby amended so that the same shall read as follows:

SECTION IV. ADDITIONAL COMPENSATION

H. SUPERVISORY DIFFERENTIAL ADJUSTMENT

Subject to the following conditions, the Civil Service Commission is hereby authorized to adjust the compensations of a supervisory employee whose schedule of compensation is subject to the provisions of charter section 8.401.

1. The supervisor, as a part of the regular responsibilities of his class, is required to exercise immediate day to day line supervision over a subordinate.

2. The schedule of compensation of the subordinate is determined and subject to the salary or wage provisions of charter section 8.403 or 8.404.

3. That day to day line supervision is exclusive of local administrative control and work assignments of craft or platform personnel on regular, extended or temporary assignments.

4. That the day to day line supervision is a matter of record based upon review and investigation by the civil service commission.

5. That the compensation schedule of the supervisory employee is less than 5 percent over the basic straight time compensation schedule exclusive of premium pay for the normal work week of the class so supervised.

6. That the adjustment of the compensation schedule of the supervisory employee shall be to the nearest compensation schedule representing, but not to exceed 5 percent over the basic straight time compensation schedule exclusive of premium pay for the normal work week of the class so supervised.

If the application of this section adjusts the rate of pay of an employee in excess of his immediate supervisor, as defined within this section, the supervisor shall receive compensation at a rate of $1.00 (one dollar) biweekly more than the base rate of his highest paid subordinate providing that the applicable conditions under paragraph "H" have been met.

compensation schedule of a supervisory employee shall be adjusted in accordance with this provision shall be final.

8. Compensation adjustments are effective as of the date the salary ordinance amendment is approved.

9. In no event will the civil service commission approve any supervisory salary differential adjustment request in excess of 10% over the supervisor's current basic compensation. If a salary inequity continues to exist, the civil service commission in the subsequent fiscal year will again review the circumstances and may grant an additional salary adjustment not to exceed an additional 10%.

10. Adjustments will not be made where the maximum of the salary range of the supervisory employee's classification is 5 percent or more over the basic straight time compensation schedule exclusive of premium pay of the subordinate.

Employees who have been granted a salary adjustment under the provisions of section VII (H) of the salary standardization ordinance, effective July 1, 1972, shall continue to receive that rate of pay, and their compensation thereafter shall not be increased as long as it exceeds the maximum of the compensation schedule set in the salary standardization ordinance for the class in which they hold appointment.

SECTION VII.-A.

1. PROMOTIVE APPOINTMENT IN A HIGHER CLASS

An employee or officer who is a permanent appointee following completion of the probationary period or six months of permanent service, and who is appointed to a position in a higher classification, either permanent or temporary, deemed to be promotive by the civil service commission shall have his salary adjusted to that step in the promotive class which is closest to an adjustment which represents 7½% above the salary received in the class from which promoted. The proper step shall be determined by the biweekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.

SECTION IX. SENIORITY INCREMENTS

A. ENTRY AT THE FIRST STEP

1. Employees in the classifications listed in this paragraph, appointed at the first step, shall advance to the second and each successive step upon completion of six month's service in each step:

Any person granting such authorization and not exempted from the provisions of this article shall be subject to the several provisions of this Article.

Sec. 660.13. Written Receipts Required. Any person receiving money or anything having a value of two dollars ($2.00) or more from any contributor under a solicitation made pursuant to a permit granted under this Article, or any person receiving money or anything having a value of less than $2.00 any value from any contributor under a solicitation made pursuant to a permit granted under this Article when the contributor so requests, shall give to the contributor at the time the contribution is received a written receipt signed by the solicitor showing plainly the name and permit number, if applicable, of the person for whom the solicitation is conducted, the date and the amount received; provided, however, that where a solicitation is made and a donation is received for a ticket of admission to an event held specifically to raise money or any other thing of value for charitable purposes, such ticket, when retained by the contributor, shall constitute a valid receipt if it contains the name and permit number, if applicable, of the person for whom the solicitation is conducted, the date and location of the event, and the amount received. For the purposes of this section, a check, money order, or other promissory note, when endorsed and returned to the contributor, shall constitute a written receipt if it contains the

name and permit number, if applicable, of the person for whom the solicitation is conducted, the date, and the amount received. This section shall not apply to any contributions collected by means of a sealed or locked box or receptacle which shall have permanently imprinted on it the name of the permit holder, if applicable, used in solicitation with the written approval of the Chief of Police, where it is impractical to determine the amount of such contributions.

Sec. 660.14. Solicitation -- Boxes -- Receptacles.

(a) Notwithstanding Sec. 660.1, no persons shall solicit any contribution for any purpose by means of any box or receptacle, upon any public street, sidewalk, or way, or in any public park or in publicly owned or controlled place, except by express written permission of the Department. Prior to giving such permission, the applicant shall furnish the Department with a written statement from the appropriate City department having jurisdiction over the area in question indicating that there is no objection to the granting of such permission.

(b) Notwithstanding Sec. 660.1, no person shall solicit for any charitable contribution, or any contribution for any real or purported charitable purpose, by means of any box or receptacle in any place immediately abutting upon any public sidewalk or way, or in any place of business open to the public, or in any room, hallway, corridor, lobby, or entranceway, or other place open to or accessible to the public, or in any public place, without first obtaining written permission from the owner, manager, or other person having control over the area where the receptacle or boxes are to be placed.

Sec. 660.15. Soliciting from Vehicles. Notwithstanding Sec. 660.1 no person shall solicit for charitable purposes from any vehicle.

Sec. 660.16. Promoters.

(a) No promoter shall in any manner whatsoever, solicit within the City and County of San Francisco any contribution for any actual or purported charitable purpose without a permit from the Department to do so.

(b) To obtain such permit, such promoter shall make and file with the Department an application therefor in writing. In such application the applicant shall set forth, in addition to such information as may be required by the Department:

(1) The name and adddress of the applicant, and if such applicant be a corporation, the name and address of its managing officers and agents, and, if it be an unincorporated association, firm, or partnership, the name and address of each member of such unincorporated association, firm or partnership.

(2) The general plan, character, and method in or by which applicant proposes to conduct its or his business as a promoter.

(c) Bond:

(1) At the time of so filing with the Department an application for such permit, the applicant shall file and thereafter maintain with the Department a good and sufficient bond in the aggregate sum of five thousand dollars ($5,000.) running to the City and County of San Francisco for the use and benefit of interested persons and parties, executed by the applicant and by two or more responsible sureties, or a surety company authorized to do business in the State of California. The total aggregate liability on said bond shall be limited to the payment of five thousand dollars ($5,000.). Said bond shall be conditioned upon the strict compliance, by the Principal, with the provisions of this Article, and the payment of any direct pecuniary loss sustained, through any act of grand or petty theft on the part of the Principal, by any donor or by any person on whose behalf the funds or personal property were solicited or received by the Principal.

(2) Said bond shall remain in force and effect for the entire period of the permit. The sureties may cancel said bond and be relieved of further liability thereunder by delivering thirty (30) days written notice to the Department. Such cancellation shall not affect any liability incurred or accrued thereunder prior to the termination of said thirty (30) day period.

(3) Any person who sustains any injury covered by said bond, may in addition to any other remedy that he may have, bring an action in his own name upon said bond for the recovery of any damage sustained by him.

(4) Upon such action being commenced, such bond shall not be void upon first recovery thereon, but may be sued upon from time to time until the whole of such penalty shall be exhausted. The Department may, in its discretion, require the filing of a new bond, and immediately upon the recovery in any action on such bond, such promoter shall file a new bond, and upon failure to file the same within ten (10) days in either case, the Department shall forthwith suspend such promoter's permit to solicit.

(5) The timewithin which any action can be brought against a surety upon any bond filed hereunder may, by express provision of the bond to that effect, be limited to a period of two (2) years from and after the discovery, by the person aggrieved, of the act or default complained of.

(d) For filing such application, the applicant shall pay a fee of twenty-five dollars ($25.00) to the Department, no part of which shall be refundable.

(e) The Department shall examine such application and shall make further investigation of the applicant and its or his affairs as the Department shall deem advisable. If from such examination the Department shall be satisfied that the applicant has sufficient financial responsibility to carry out the obligations incident to any solicitations such applicant may make within the City and County of San Francisco. as such promoter and that all of the statements made in such application are and each of them is true and that neither the applicant nor any officer, agent, or member of the applicant has violated any of the provisions of this Article or has engaged in any fraudulent transaction or enterprise, and that the applicant intends to conduct its business fairly and honestly, the Department shall issue to the applicant a permit to solicit as a promoter within the City and County of San Francisco. Otherwise, the Department shall deny

the application and refuse to issue a permit, and shall notify the applicant of its decision. Any applicant denied such permit under this section may appeal the denial in the same manner as provided for in Sections 660.16 and 660.21 of this Article.

(f) All permits issued hereunder shall be subject to the condition that the applicant thereafter shall cease and desist from acting as a promoter within the City and County of San Francisco when ordered to do so by the Department if the Department finds after a public hearing that any act or omission of such promoter or his agents or employees in making any solicitation or in the conduct of the business of promoter within the City and County of San Francisco is unfair, or fraudulent. The Department must suspend or revoke any such permit if, after a public hearing upon notice, the Department shall find the existence of any of the grounds hereinabove enumerated for the denial of an application for a promoter's permit.

(g) Every such permit issued under the provisions of this section shall terminate on or before one year from the date of issuance.

(h) No promoter shall comingle any contribution with the promoter's own funds or property, or fail at any time to maintain and keep all contributions separate and apart from the promoter's funds or property.

(i) It shall be unlawful for any promoter to cause or allow any person for pecuniary compensation or consideration received or to be received by such person to solicit or receive on his behalf or at his instigation, under his direction or control or in his employment, any contribution unless such person shall have been issued by said promoter credentials as defined in Sec. 660.4(d).

Sec. 660.17. Fee for Promoter's License. Upon granting of the permit, the Chiefof Police shall forward the permit to the Tax Collector, who shall issue a license upon the payment by the applicant of an annual seventy-five dollar ($75.00) license fee, payable in advance.

Sec. 660.18. Revocation of Permits - Hearing - Decision. Whenever it shall be shown, or whenever the Chief of Police has knowledge, that any person to whom a permit has been issued under this

ordinance has violated any of the provisions of this ordinance, or that any promoter, agent or solicitor of a permit holder has misrepresented the purpose of the solicitation, the Chief of Police shall immediately suspend the permit and give the permit holder written notice by registered mail, return receipt requested, of a hearing to be held within seven (7) days of such suspension to determine whether or not the permit should be revoked. This notice must contain a statement of the facts upon which the Chief of Police has acted in suspending the permit. At the hearing the permit holder, and any other interested person, shall have the right to present evidence as to the facts upon which the Chief of Police based the suspension of the permit, and any other facts which may aid the Chief of Police in determining whether this ordinance has been violated, or the purpose of the solicitation has been misrepresented. If, after such hearing, the Chief of Police finds that this Article has been violated or the purpose of the solicitation has been misrepresented, he shall within two (2) days after the hearing, file in his office for public inspection and serve upon the permit holder, and all interested persons participating in the hearing, a written statement of the facts upon which he bases such finding and shall immediately revoke the permit. If, after such hearing the Chief of Police finds that the ordinance has not been violated and the purpose of the solicitation has not been misrepresented, he shall within two (2) days after the hearing give to the permit holder a written statement cancelling the suspension of the permit and stating that no violation or misrepresentation was found to have been committed. No person holding a permit pursuant to this Article shall solicit within the City and County of San Francisco while his permit is suspended.

Sec. 660.19. Books and Records of Permit Holders. No person granted a permit pursuant to this Article shall solicit any contributions for any charitable purpose without maintaining a system of accounting whereby all donations to it and all disbursements are entered upon the books or records of such person's treasurer or other

financial officer.

Sec. 660.20. Report Required from Permit Holder. It shall be the duty of all persons issued permits under this ordinance to furnish to the Chief of Police within thirty (30) days after expiration of the permit, a detailed report and financial statement showing the amount collected by the solicitation, the amount expended in collecting such funds, including a detailed report of the wages, fees, commissions, and expenses paid to any person in connection with such solicitation, and the disposition of the remainder of the funds collected by the permit holder. This report shall be available for public inspection at the Office of the Chief of Police at any reasonable time; provided, however, that the Chief of Police may extend the time for filing of the report required by this section for an additional period of sixty (60) days upon proof that the filing of the report within the time specified will work unnecessary hardship on the permit holder. The permit holder shall make available to the Chief of Police, or to any person designated in writing by the Chief of Police as his representative for such purpose, all books, records, and papers whereby the accuracy of the report required by this section may be verified. Nothing herein shall be construed to require the disclosure of the names of contributors.

Sec. 660.21. Appeals. If the Chief of Police shall refuse to issue a permit as provided in this ordinance or if such permit already issued shall be revoked, the person affected thereby may appeal to the Board of Permit Appeals of the City and County of San Francisco.

Sec. 660.22. Submission of Forms by Exempt Persons When Department So Requests. Any person exempt from Section 660 of this Article shall forward to the Department when requested by the Department a copy of the public record portion of either the current State of California Form CT-2, filed with the Attorney General of the State of California, or Form 990, filed with the Internal Revenue Service, or successor forms.

Sec. 660.23. Use of Fictitious Name -- Fraudulent Misrepresentation and Misstatements Prohibited. No person shall directly or indirectly solicit contributions for any purpose by misrepresentation of his name, occupation, financial condition, exemption status, or residence, and no person shall make or perpetrate any other misstatement, deception, or fraud in connection with any solicitation of any contribution for any purpose in the City and County of San Francisco or in any application or report filed under this Article.

Sec. 660.24. Penalties. Any person violating any of the provisions of Sections 660 to 660.23, inclusive, of this Article, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not more than $500, or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

Sec. 660.25. Severability. If any part of the ordinance, or the application thereof, to any person or circumstance is held invalid by the final judgment of a court of competent jurisdiction, the remainder of this ordinance, including the application of such part or provision to other persons or circumstances, shall not be affected thereby, and this ordinance shall otherwise continue in full force and effect and shall otherwise be fully operative. To this end, the provisions of this ordinance, and each of them, are hereby declared to be severable.

Section 2. Sections 590 to 599, inclusive, of Part II, Chapter VIII of the San Francisco Municipal Code (Police Code) are hereby repealed.

Section 1. In accordance with the recommendation of the Director of Public Works, the Board of Supervisors hereby declares that the public interest and necessity require the sale of Lot 18 in Assessor's Block 5843 to the owners of Lot 18 in Assessor's Block 5814, an adjoining parcel.

Section 2. Said property is no longer required for municipal purposes and as reported by the City Planning Commission on June 7, 1973, the sale of Lot 18, Block 5843, is in conformity with the Master Plan provided that it is sold to one of the adjoining property owners and merged with an adjoining lot. The Department of City Planning has also advised that the proposed project would not have a significant effect on the environment.

Section 3. Pursuant to Section 7.401 of the City Charter, the Director of Property has made an appraisal of the value of said property and the adjoining owner has offered to buy said property for the sum of $6,000 which sum represents 100 per cent of the appraised value of said property and has deposited $600 with the City in connection with said offer.

Section 4. The Mayor and the Clerk of the Board of Supervisors are authorized to execute and the Director of Property shall deliver a deed to EDWIN F. LINGSCH conveying said Lot 18 in Assessor's Block 5843, upon receipt of full purchase price.
